Office Space in Prime Location

About the Property

3820 Cessna Drive is a five-storey Class A office building with unparalleled views on the Fraser River shoreline. The building features a sleek architectural design combined with modern building technologies, and is easily accessible from all areas of Metro Vancouver.

The building is located in close proximity to the Vancouver International Airport (YVR) and Downtown Vancouver via the Arthur Laing Bridge. Conveniently located on a major bus route with a bus stop in front of the building which provides convenient access to the Richmond-Brighouse and Templeton SkyTrain Stations.
