

Senior Property Accountant – Downtown Toronto Epic Investment Services

Epic Investment Services (Epic), which includes its wholly owned subsidiary MDC Realty Advisors in the United States, is a fully integrated North American real estate platform. Headquartered in Toronto, Canada and operating from offices in Canada and the United States, Epic has over \$17.5 billion in assets under management. Epic's portfolio comprises over 30 million square feet of office, retail, industrial and multi-family residential properties. Epic's integrated team is made up of over 150 real estate professionals in real estate management, asset management and investment management.

POSITION:

We are seeking a Senior Property Accountant to join our dynamic Accounting team. The Senior Property Accountant will report into our Manager OF Accounting in Toronto.

RESPONSIBILITIES:

- Work with the full accounting cycle, including daily bank reconciliation, journal entries, general ledger, recovery, accounts payable, accounts receivable, year-end billing processes.
- Prepare detailed monthly variance analysis, account reconciliations, and CAM and tax recovery shortfall and ratio analysis while investigating the cause of variances and propose trouble-shooting solutions.
- Monitor and reconcile capital projects and leasing costs and prepare cash distribution on a monthly/quarterly basis.
- Prepare year-end audit package and entity financial statements and liaise with external auditors.
- Review and analyze financial information and process the information efficiently and take appropriate actions with minimal supervision to address and resolve the matters.
- Work with property management and leasing team to prepare annual budgets and quarterly forecasts based on leasing assumptions, capital and operating expenditures projections.
- Assist in preparation of monthly, quarterly and annual reporting, and other financial information as required to Senior Management, Property Managers and Owners, as needed
- Ensure all financial reporting procedures and processes are in accordance with agreed-upon or mandated schedules, owner requirements and some customized approaches as mandated by specific owners
- Coordinate with property management to ensure that Owner reports are produced accurately and on-time, with correct commentary; review the financial component of the executive summary and variance comments on the reports and assist as necessary in the drafting of the report
- Ensure that all regulatory and government returns and reporting (monthly/quarterly GST/HST, annual returns) are filed on time.
- Work effectively and collaboratively with property management and other staff to provide value-add customer service to internal and external clients.

QUALIFICATIONS:

- University degree in Accounting/Business with a professional accounting designation (CPA)
- Minimum 3-4 years' of progressive accounting experience within the commercial real estate industry, ideally experience on behalf of a 3rd party manager with a variety of owners and/or joint ventures
- Strong understanding of accounting standards (ASPE / IFRS) and internal controls
- Must have a positive “can do” attitude with a proven track record for meeting/exceeding deadlines and producing accurate work
- Well-developed ability to build solid, respectful and collaborative relationships and establish rapport and credibility within the organization as well as with external partners and service-providers
- Ability to work independently but also as part of a team
- Ability to manage multiple priorities in a fast-paced environment, and meet deadlines under pressure
- Strong organizational and planning skills, ability to prioritize work and concurrently manage multiple tasks, projects and deadlines with attention to detail, timelines and budgets
- Excellent working knowledge of Excel and computerized accounting systems
- Experience in and knowledge of Yardi an asset
- Must be able to communicate effectively, both written and orally, in the English language and work well with property management/site staff
- Must be self-motivated, possess strong organizational and analytical skills and have the desire to learn

HOW TO APPLY:
